Message From Our Musical Director

Welcome to our ninth season of exciting chamber concerts in Niagara! We have a fantastic year ahead of us starting with "The Brahms Cycle Continues". We again welcome pianist David Louie this time to perform the A major piano quartet of Brahms, and the amazing piano quartet of Schumann. Our baroque concert on period instruments comes in January this year, and we will welcome mezzo-soprano Laura Pudwell, a Fort Erie native who is new to our series, but well known to most of Canada's lovers of vocal music. Our third concert "By Special Arrangement" will feature a fresh listening of two well-known composers, Beethoven and Danzi, and two new arrangements by Patrick Jordan and Douglas Miller. We close the season by welcoming home pianist Karen Enns, who now lives and works in Victoria, BC but who grew up in Niagara-on-the-Lake. Karen and Doug will join forces to perform one of the best loved sonatas for flute and piano, by Cesar Franck.

As we launch our ninth season I'd like to thank you, our audience, and the many donors to our series. Without your continued support the music could not go on. This season, we're launching our first-ever membership campaign. We invite you to review the enclosed insert and join us as a member; the entire Gallery Players community will appreciate your generous financial support.
