The Gallery Players of Niagara presents chamber music in the Niagara Region. We organize and perform chamber music in traditional and non-traditional venues. We focus on informal presentations that are meant to invite our audiences in, remove barriers, demystify art and integrate the joy of small-scale music-making in people's daily lives.

On behalf of all of the Players, we'd like to thank you for supporting fine arts in Niagara.

"An Evening with Michael Kelly"

Canadian acting legend R.H. Thomson and the Eybler Quartet bring to life through music and readings an evening in Vienna from 1784, when Michael Kelly, a young Irish tenor, heard a house concert performed by Haydn, Mozart, and two of their contemporaries.

"Until some genius of quantum physics invents a time machine, this is the closest any of us is ever likely to get to feeling just how special that night in Vienna in 1784 really was."
Deryk Barker, *Victoria Times-Colonist*
